Dear parents/guardians:

From February 6 to February 10, we will be introducing our students to our anti-bully campaign. We will show the movie/documentary **Bully** rated PG-13 during PE. The movie has been described as: "**Bully** tells raw and powerful stories about bullying and the effects it has on the lives of victims and their families." Prior to and after viewing **Bully**, students will have opportunities to discuss various articles about the effects of bullying. The history teachers will introduce anti-bullying topics and articles centered around the movie/documentary. The language arts department will engage the students in the post-movie readings, questions, and discussions centered around **Bully**. This is a powerful video that documents the tragedies of children who committed suicide and others who are incarcerated due to bullying. If you do not want your child to watch **Bully**, please fill out the bottom portion of this letter and return it to the front office by Wednesday, February 1st. If you are interested in previewing the movie, please fill out the requested information below. Please feel free to contact Mr. Gonzaga or Ms. McDonald if you have questions.

Thank you,

Mr. Gonzaga, Assistant Principal
