## ADMINISTRATION

Principal

Dear La Loma Parents & Guardians,

**Jerry Gonzaga**  
Assistant Principal  
Curriculum and Instruction

As the days grow shorter and rainy, cold weather becomes the norm, we are concerned that some of our students are left at school unsupervised. In an ongoing effort to keep our students safe, we feel the need to remind parents and guardians of appropriate student arrival and departure times.

**David Day**  
Assistant Principal  
Student Services

To ensure appropriate supervision, "O" period students should arrive **no earlier than 7:40 AM**. All other students are to arrive at La Loma **no earlier than 8:20 AM**. If your student eats breakfast at school, please arrange for your student to arrive in time to eat their food without being tardy to class.

The school office closes at 4 pm and there is no longer student supervision available in public areas. Parents should ensure their students have a way home before that time. Please pick up your Extended Summer School (ESS) student when class ends at 5 pm.

(Also, students in the ASES program are monitored on the West side of campus and parents should arrange pick up on the cafeteria-side of the campus.)

We look forward to working with you to keep our students safe at La Loma Junior High.

Respectfully,

Marie McDonald  
Principal
